Dear Parents/Carers

As part of the year 8 PSCHE curriculum students take part in a topic based on healthy relationships and I have arranged for a visit from 'Pintsize', a Theatre in Education Company. It is extremely important for our students to understand and recognise risky situations and behaviour and as part of this, on Friday 1st March, the company will perform a piece of theatre and a short workshop based on child sexual exploitation and internet safety.

In addition to this our year 8 students have access to topics on health and wellbeing, fundamental British values and work skills and finance, a vital part of their educational development alongside the varied external providers we engage with to run specific sessions.

If you have any questions or queries about these visits please do not hesitate to contact me at the school via phone 01623 464220 or email gadmin@garibaldi.notts.sch.uk

Yours faithfully

L Etches
