

13th September 2018

Dear Parent/Carer

As part of the package of support provided to our Year 11 students in preparation for their forthcoming exams all subject areas are offering after school revision and support sessions. These are running as a rolling weekly programme (see reverse) and will continue until the exam season (May/June). We strongly advise students to attend all the sessions that are on offer as they will provide invaluable support in preparation for exams and/or in finalising coursework elements.

Subject teachers are using current performance data and predictions to highlight specific students who are **required** to attend sessions in order to support continued progress towards their target grades. If this applies to your child/ward then subsequent correspondence will specify these sessions so that you can support them to ensure their attendance.

Thank you in advance for your continuing support.

Yours faithfully

M Dawson
