Dear Parent/Carer

**Re: “Supporting students to be successful in exams” Thursday 1<sup>st</sup> March, 6 - 7.30 pm**

On Thursday 1<sup>st</sup> March the school will be hosting an evening designed to offer specific guidance to the parents of Year 11 students on how best to support them in preparation for exams. The aim of the evening is to share the school's expectations in terms of revision and exam preparation, to give parents an insight into how staff are supporting students to prepare for exams, and to help parents identify where and how they can support with this preparation at home. The event will run from 6.00pm to 7.30pm. There will be an initial introduction from myself and Mr Hawley of around twenty minutes before parents will get the opportunity to attend several subject specific sessions of their choice. It would be particularly valuable if students were able to attend with parents. On arrival to the evening students will receive their personalised revision booklets containing generic and subject specific revision and exam preparation guidance.

Attached is a form to complete and return by Friday 9<sup>th</sup> February 2018 which will allow you to indicate firstly, if you are able to attend or not, and secondly, if so which subject sessions you would like to visit. We will use your preferences to put together a personalised timetable for the evening. We will try where possible to ensure the majority of choices can be accommodated.

Yours sincerely
